Passion for Prison Inc
PO Box 273721
Tampa, FL 33688-3721

Jessica and Scott Santiago both work extensively in the Florida Department of Corrections prisons with their prison ministry group; Passion for Prison, and other prison ministry groups.

They have been volunteers since 2003 and average 85-100 visits to Florida prisons every year. I would say they are in the top 10% of our prison volunteers. They are extremely dedicated to our chaplains and to our prisons. They visit facilities throughout Central and North Florida.

I recommend them highly as professionals in the prison ministry field. Their experience and compassion for incarcerated men and women is commendable. Volunteers come and go but Jessica and Scott have been there with us for the long haul and we appreciate them and their work.

Any consideration you can give them will be appreciated. I consider them friends and co-workers.
