RE: *Passion For Prison* Ministry led by Scott and Jessica Santiago

Dear Friend:

Passion for Prison is the perfect title for Scott and Jessica Santiago's ministry. Both have a God-given passion for inmates to learn about and receive the love of God through the redemptive power of Jesus Christ. Through their creative ministry of studying God's Word through media and videos, they're making an impact with their lives and giving light and love to those who are hurting and needing a word of hope.

Believing God has called them to make a difference in a population much of society has dismissed, Scott and Jessica love what they do and they love those to whom they minister.

Scott and Jessica are faithful members of Idlewild Baptist Church. It my joy to be their Pastor and to recommend *Passion for Prison* to you. God bless you.

In His dear name,

Ken Whitten
Senior Pastor
