RE: Passion for Prison

Dear Friend:

Prison Fellowship is a national, non-profit organization founded in 1976 by former Nixon aide Charles Colson. The ministry was established to seek the transformation of prisoners and their reconciliation to God, family, and community through the power and truth of Jesus Christ. Prison Fellowship works with incarcerated men and women all over the U.S. and helps them prepare for release back into the community. Inside prison, volunteers and staff share the Gospel, disciple and mentor prisoners, and help them develop the life skills, social skills, and parenting skills that will increase their chances of success on the outside.

It is my pleasure to recommend and endorse the ministry of Passion for Prison. I have known Jessica and Scotty Santiago for many years as they have collaborated and worked with Prison Fellowship in many aspects. Even while working with Prison Fellowship, they displayed passion, vision and leadership. We worked on projects such as Evangelistic Yard Events, "Break the Cycle" Motorcycle Ride for Angel Tree, In Prison Discipleship and our Re-entry program. They are truly modelling the work that Jesus Christ called for all his disciples to do in Matthew 25: "I was in prison and you came to visit me." As they live a life obedient to God, they are effectively impacting lives for Christ through the media of videos and heart-felt discussion as they introduce the inmates to the redemptive power of Jesus Christ.

I am thankful that the vision God had given them is expanding and I urge you to join me in supporting Passion for Prison.
